

OCEANIC SOCIETY'S PLASTIC POLLUTION DATA FORM

Thank you for your commitment to helping improve ocean health! You're part of a global community of ocean stewards who don't just clean up the ocean — they help change the systems that pollute it. By documenting the types of trash collected, quantities, and brands identified, you're contributing to evidence that drives real corporate accountability. Complete the fields below and return to your cleanup coordinator when finished.

VOLUNTEER INFORMATION

Name of cleanup site:

Number of volunteers working on this sheet:

Adults:

Children (under 12):

Location:

Most unusual item(s) collected:

TRASH COLLECTED

Please record each item you collect today and write the final amounts in the below squares (no matter how small!) Please be sure to only use numbers for final amounts collected, not words or check marks. You can use the space in front of the squares to tally items as you go along. We hope that you have fun and thank you for your participation!
